PROFILE SUMMARY

Motivated and enthusiastic Full Stack Developer fresher with hands-on experience in developing scalable web applications using HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB, and SQL. Completed an intensive Full Stack Development course and successfully built end-to-end projects featuring RESTful APIs, database integration, secure authentication, payment processing, and responsive user interfaces.

KEY PROJECTS

Restaurant Reservation & Review Platform

React.js | Tailwind CSS | Node.js | Express.js | MongoDB | Stripe

Full Stack Web Application

- Built a fully responsive restaurant reservation platform enabling users to search, filter, reserve tables, and post restaurant reviews.
- Developed structured RESTful APIs with Node.js, Express.js, and MongoDB/Mongoose for robust backend performance.
- Integrated Stripe payment processing for table bookings and user authentication.
- Created a centralized Admin Dashboard to manage restaurants, reservations, user accounts, and real-time revenue analytics.
- Deployed frontend application on Vercel and backend services on Render.

PROFESSIONAL EXPERIENCE

Inditrade Scalerator Limited Senior Officer – Marketing & Growth

Sep 2022 – Feb 2024

- Managed end-to-end customer interaction and maintained client relationship activities to boost engagement.
- Supported sales initiatives, business growth strategies, and cross-functional team workflows.
- Maintained, analyzed, and synthesized operational data using Microsoft Excel for key executive reporting.
- Prepared weekly performance reports and maintained organized business records.
